

# Dalveer Singh

Full Stack Web Developer (Typescript, Node, React)

Full stack web developer with more than 1 Year of professional experience and the ability to learn and collaborate in rapidly changing environments and compositions. Seeking for a Typescript developer position (React front-end or Node back-end) where I can leverage the skills which I have earned in the last six years like Typescript, Node.js, Express.js, React.js, Next.js, SQL & NoSQL, REST, GraphQL, and many more.

**Status in Canada:** Open Work Permit
